## **ONE FABER GROUP DEBUTS ALL-NEW CARDLESS FABER LICENCE MEMBERSHIP**

The fully digital annual membership programme by One Faber Group now caters to a new generation of digitally savvy and staycation-loving locals with dozens of dining, shopping and hotel privileges at Faber Peak, Sentosa and beyond

Singapore, 16 November 2018 – One Faber Group, one of Singapore's leading operators of a suite of leisure and lifestyle services as well as F&B operations, unveils a refreshed Faber Licence membership programme this November. The annual membership is now fully digital, offering Singaporeans and local residents a lifestyle of unlimited cable car rides and great deals on Sentosa Island, Faber Peak and across Singapore.

Priced affordably at \$39 for an individual membership, Faber Licence aims to offer exceptional value for the leisure-seeker by providing benefits such as unlimited cable car rides, dining, shopping and entertainment privileges and discounted staycations all-year round. The membership offers one of the most generous privileges for diners, with members enjoying 20% off at F&B outlets at Faber Peak Singapore, including Dusk Restaurant & Bar and Arbora as well as Good Old Days located on Sentosa.

Following the rise of mobile commerce, the refreshed Faber Licence membership is card-less and supported by a web app where members can easily look up the myriad of privileges anytime, anywhere. Members can now redeem their privileges with just a touch of their phone, and "fly" to different destinations with the Singapore Cable Car and bond with their loved ones over captivating views and exciting activities.<sup>1</sup>

These updates are effective immediately for new members. Current members can either convert to the digital membership immediately at no additional cost, or switch to the digital platform after their current membership expires.

“The launch of the digital Faber Licence membership is part of our wider strategy to entice more locals to (re)discover and (re)create new memories at Faber Peak and Sentosa Island.
