

Explore & Learn: Singapore Cable Car & Back-of-House Tour

Min. 20 students to go

Explore & Learn @ Mount Faber is a professionally crafted, holistic learning journey that allows students to be engaged in Singapore history outside of the classroom.

Students will start the journey at Faber Peak. There, they ring the Poland's Bells of Happiness originated from 2 Polish training ships while learning how they were united on Singapore soil to continue bring joy and "double happiness" to visitors. Entering the Singapore Cable Car back-of-house, students not only learn about its heritage but also have an exclusive sneak peek on how it has maintained to keep millions of guests safe! Students will then ride the cable car taking in amazing aerial views from Faber Peak to Harbourfront before arriving at Sentosa to learn about how the island has evolved from a fishing village to a bustling resort island it is today.

FLY & DISCOVER THE HISTORY OF SINGAPORE

Min. 20 students to go

Bring learning out of the classroom and set your students off on a learning adventure at Sentosa! As Singapore's only preserved coastal fort, students will discover Fort Siloso, the home of our nation's defences for decades, War World II artefacts, fortified military structures and tunnels. End the tour on a high note with a journey over boundless blue sky for breath-taking views of jungle, sand and sea on the Singapore Cable Car – Sentosa Line.
