“Experience a decadent meat escapade with the Omi Rump (150g), which is served with deliciously sweet and rich Port Wine Jus. To bring out its succulence and tender texture, I grilled the beef with burnt butter as a finishing touch for delicate notes of nutty fragrance. An assortment of condiments such as Truffle Salt accompanies the dish, which is designed to enhance the inherent flavours of the meat. This is available for a limited time only, so hurry and order now!”
