

Arbora is inspired by the Latin word 'arbor' which refers to trees, or a leafy enclosure formed by shrubs and tree branches.

Perched atop the lush greenery of Mount Faber Park, Arbora restaurant captivates guests with its garden dining experience as well as majestic views of the rainforest hillside, Harbourfront and Sentosa from its vantage location. Embracing a sense of tranquillity and serenity, Arbora offers a relaxed atmosphere, good food to enjoy with loved ones and an ideal escape from the city.

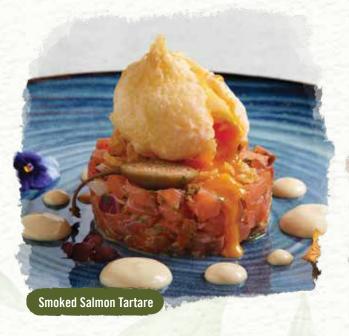

We proudly champion a local farm by utilising their fresh, locally-sourced eggs and greens, including xiao bai chye and mesclun. Some dishes that incorporate these ingredients include the *Wild Mushroom Salad, Chicken Rice, Bamboo Chicken Nasi Lemak,* and more.
